

Biochemistry Practice Sheet

1. Name of bond _____
2. Name of molecule _____
3. Functional group _____
4. General name of molecule _____
5. General name of molecule _____
6. Specific molecule _____
7. Functional group _____
8. Specific macromolecule _____
9. Specific macromolecule _____
10. Type of molecule _____
11. Bond type _____
12. Type of molecule _____
13. Bond type _____
14. Functional group _____
15. Type of molecule _____
16. Type of group _____
17. Type of molecule _____
18. Type of molecule _____
19. _____ head
20. _____ tail
21. Type of molecule _____
